

# MARYLAND EDUCATORS OF GIFTED Students

July 1, 2018

**Dear Potential Vendor:**

You are invited to be an exhibitor at the annual **Maryland State Conference on Gifted and Talented Education** to be held on **Friday, October 19, 2018**, at New Town High School, 4931 New Town Boulevard, Owings Mills, Maryland 21117. Highly touted by the Maryland State Department of Education, this conference offers interesting and thought provoking sessions with practical and useful ideas for participants. Annually, approximately 400 educators and administrators from 20 Maryland school districts attend this valuable conference. Exhibits will be available to participants during the entire conference time on Friday. **This year's conference will also feature a special time period for participants to visit vendors, which will be used to promote attendee/exhibitor engagement.** Our theme for this year's conference will be:

## ***Gifted Education: Taking on Tomorrow's Challenges Today***

To contract your exhibit space at this year's annual State Conference, please register via our online vendor registration form at <http://megsonline.net/> or using the print copy enclosed. A vendor fee of **\$100.00** will be charged for tables, which will be set-up in a high traffic area. Payment may be made online via *PayPal* or by U.S. mail to the MEGS Office at the address provided on the registration form. All remittance should be made by **September 14, 2018**.

Exhibitors unable to attend, but who desire to have literature displayed at the conference, may send that literature in advance to the address listed for this purpose on the enclosed **Vendor Registration Form**. There is a **\$50.00** charge to display literature.

Vendors are asked to donate at least one professional book or other item related to gifted and talented education for use as a door prize. Vendors who have donated door prizes will be announced during the lunch in order to recognize them for their generosity.

Vendors will be able to set up their exhibit for the annual MEGS conference early on Friday morning. Specific times and additional information will be addressed in a follow-up communication.

Thank you very much for considering being a vendor at the **Maryland State Conference on Gifted and Talented Education** on Friday, October 19, 2018.

Sincerely,

Debbie Blum  
MEGS Conference Co-Chair
